MEDCO has a made-to-order service for retail lumber dealers—almost any assortment of building items in a mixed car. With MEDCO'S mixed car service you can maintain a well-balanced stock with minimum investment. You can often deliver direct from car to job without any warehousing cost. You can increase your turnover and profit per dollar of investment.

Our planing mill is equipped with an S. A. Woods 10" moulder with which we make small casing and base and detail moulded standard patterns in both Pine and Fir. Our Stetson-Ross 6" x 15" Matcher makes all our flooring and standard siding patterns. The S. A. Woods 6" x 25" Surfacers runs the ship lap and center matched boards and Pine and Fir Selects. The 6" x 15" Stetson-Ross surfacer runs the eased edge dimen-
